Subject: Safer Cleaner Greener Newcastle Consultations
Date: 18 January 2022 13:11:22

Dear Space for Jesmond,

I'm writing to ask for your help to encourage your contacts to participate in the consultations taking place now in Kenton, West Fenham, Jesmond East, Shieldfield & Ouseburn about safer, cleaner, greener neighbourhoods - we need ideas from the community to make sure the proposals that come forward address current local concerns.

The consultation is online but we are also taking issues sent in by email or over the phone – we have an answerphone number which is 0191 278 2767 and we'll ring callers back and note their issues and add them to the consultation findings.

We have a project page on the city council web site that covers everything and has links to all the consultations – www.newcastle.gov.uk/neighbourhoods

We appreciate anything you can do to spread the word!

All the best,
